

CADUCEUS CELLARS & MERKIN VINEYARDS

Caduceus 2023 Lei Li Nebbiolo Rosé

Varietal: Nebbiolo

Vineyard: Eliphante Block Verde Valley, AZ

Elevation: 3400 ft.

Soil: Lower Oak Creek snakes its way around this 30-acre Holocene River terrace. Nearby, House Mountain affords a visual narrative of the volcanic activity that shaped this site's geologic past.

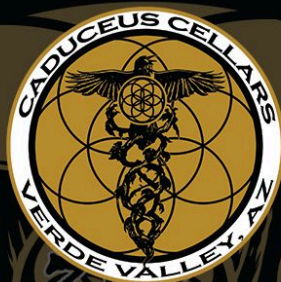

Process: Hand-picked. Whole cluster pressed. Fermented in concrete. Aged in puncheon.

Alcohol: 13.2%

Winemaker: M.J. Keenan

Soundtrack: Blonde Redhead - *In an Expression of the Inexpressible*

Impressions: Passing under the first full-blooming stone fruit trees of Spring took my breath away—THAT is what the Lei Li Nebbiolo Rosé reminds me of, I thought—the flow of sap reaffirming yet again the renewal of the cycle of life... Fruity, juicy, peach, mango...altogether welcome and enchanting...
