Soil: A white silt limestone and cobble site—a 30-acre Holocene river terrace surrounded by Lower Oak Creek.

Process: Hand picked, sorted and punched.

Open top and submerged cap fermentation.

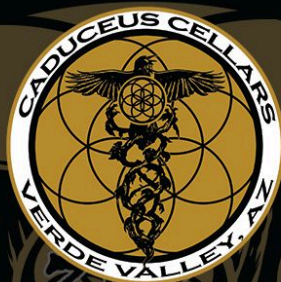

French cask and puncheon aged 18 months.

Alcohol: 13%

Winemaker: M.J. Keenan

Future Perfect

Impressions: A wine we do not produce every vintage, but only when conditions are favorable. This 2020 red is youthfully exuberant, yet carries itself with a certain aplomb as well. Almost intoxicating aromas suggest hints of rose, cherry, peach, smoky mesquite and shitake mushroom...
